

THE GREEN MOVE-IN GUIDE

WELCOME TO CLEVELAND STATE UNIVERSITY!

*We're glad you've chosen to join our vibrant and diverse community.
While you're here, you can help us to reduce our impact on the environment!*

TIPS FOR PACKING

- ▶ Use reusable totes and suitcases that will last for years to come.
- ▶ Wrap fragile items with clothing, sheets or towels instead of packing materials.
- ▶ Talk with your roommate(s) before moving in to discuss who will be responsible for bringing particular furnishings to the room. There's no need for two televisions or microwaves!
- ▶ Plan ahead to avoid multiple car trips to bring all of your things to campus.

WHAT TO BRING TO CAMPUS

- ▶ Reusable kitchen ware – storage containers, plates, cups, utensils, etc.
- ▶ Refillable water bottles and coffee mugs. Filtered water refill stations are located across campus. Cafes and outlets offer a discount for coffee refills if you bring your own mug.
- ▶ Energy star rated electronics and appliances.
- ▶ Power strips. Many devices draw energy even when turned off. Plug all your electronic devices into

a power strip, and simply flip the switch when they are not in use. Be sure it includes a surge protector/circuit breaker.

- ▶ A bicycle – get around downtown quickly and easily. Don't forget a helmet, lock and lights.
- ▶ Energy efficient LED light bulbs.
- ▶ Plants for your room - they help clean the air and bring a bit of nature indoors!
- ▶ Reusable shopping bags.
- ▶ Warm bedding and clothing – conserve energy by putting on a sweater or adding an extra blanket before you turn up the heat.
- ▶ Recycled content paper, notebooks, and other school supplies.

WHAT NOT TO PACK

- ▶ A personal printer. CSU provides free printing to students at multiple locations. Don't forget to print double sided.
- ▶ Electric heaters or blankets.
