RENTERS INSURANCE

As noted in your Housing Contract, Cleveland State University does not assume any financial responsibility for the personal property of students. We strongly recommend students obtain renters insurance prior to move-in. Here are some scenarios in which renters insurance can help;

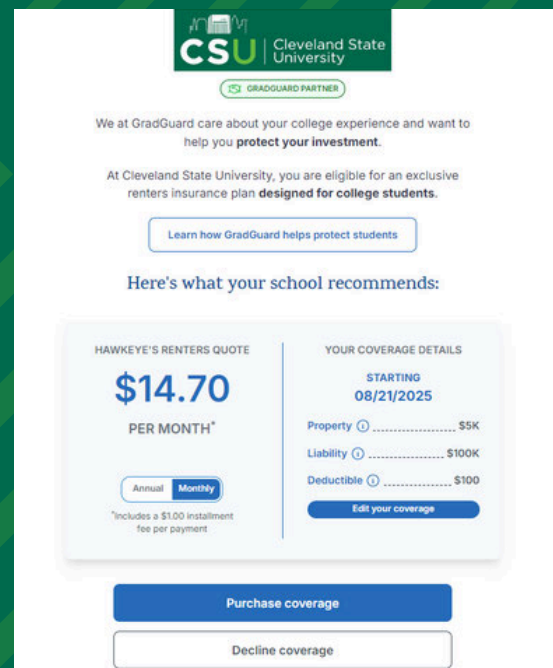

- You leave your laptop in the library unattended as you grab lunch, to later find that it was stolen.
- You return to the residence halls after class, to find that someone accidentally caused a fire on your floor and the smoke ruined all of your clothes, books and bedding.
- You accidentally hang your clothes on the sprinkler head. Water damage destroys your stuff and the belongings of other residents on your floor.

We have partnered with GradGuard, which offers a College Renters Insurance Plan that is specifically designed for students. For about \$14 per month, GradGuard can protect you in the scenarios listed above and more.

1. After electronically signing your Housing Contract, you will be brought to the GradGuard (Renters Insurance) section of the housing application. Click “Continue”.

2. You will be redirected to the GradGuard website where you will need to make a decision. If you are interested, you will need to enter your information and Click “Start My GradGuard Enrollment”.

3. If you determine that you’re not interested or not ready, Click the “I would like to decline all coverage” link at the bottom of the page and you will be prompted with a final “Not Interested or Not Ready” page. Make the appropriate selection for you. Finally, you will be presented with a page, confirming your selection. Click “Continue with Application” to be redirected back to the Housing Self-Service portal to continue with your housing application

STUDENT QUESTIONNAIRE

After you review the contract and provide your electronic signature, you will be asked to complete a questionnaire about yourself. The questionnaire information will help you and your potential roommate(s) determine if you're a "good fit" for each other.

Please complete this yourself and be sure to answer truthfully.

I am interested and prefer living in an animal-free space. Only service animals, approved emotional support animals, and fish in tanks of 10 gallons or less are permitted. Yes No

Please describe yourself and some of your personal interests. What do you want a roommate to know about you? (e.g., hobbies, clubs, sports, musical preferences). *

What allergies, if any, do you have that might be helpful for a possible roommate to know (e.g., foods, animals, etc.)? *

What best describes your ideal roommate relationship? *

What conditions do you prefer to sleep in? *

What time do you typically go to bed on weekends? *

What time do you typically go to bed on weeknights? *

When do you most prefer to study? *

Where do you most prefer to socialize with others? *

Where do you most prefer to study? *

Students are required to pay their \$200 housing deposit. Students who have not paid their housing deposit, will have it added to their student account and will need to pay them prior to moving in. *

Helpful Tips for Completing Questionnaire

Complete this yourself: Do not have a family member log in and complete it. Only you truly know yourself.

Reflect on each question: Although your first instinct is probably the right answer, take time to think about each question and the long-term effects of each one.

Be honest: You will likely be happier if your answers represent your preferences, not what you perceive your answers "should be". The only "right" answers are those that best reflect you and your needs.

Made a mistake?: Don't worry! You'll be able to go back in and edit your responses until July 1
