

Student Experience, Academic Enrichment & Transitional Support

Dates of Program: July 18-August 7, 2021

Program Description: The Summer Bridge Enrichment Academy is a 3-week on-campus program that will help students and their families prepare to begin college in the fall. The enrichment academy integrates the Summer Transition Enrichment Program courses to provide both enrichment and a residential experience. It also provides additional incentives and resources that will best support student transition from high school to college. This type of on-campus experience will help students maximize their academic potential their first year and throughout their college career at Cleveland State University. Students participate at no additional cost.

- The purpose of the program is to ensure that students are successful at Cleveland State University by providing a quality student experience, academic enrichment and transitional support.
- Students who are part of the Summer Bridge Enrichment Academy will learn about Cleveland State University and an array of students supports offered at CSU to ensure their success.
- Students will build relationships with other students, faculty and staff and receive personalized support to ensure their success at Cleveland State University.

As a participant, students will:

1. Live on campus in Euclid Commons for three weeks from July 18-August 7, 2021.
2. Earn summer stipend for three weeks.
3. Receive a laptop, books and additional supplies.
4. Participate in enrichment and social activities.
5. Build relationships with other students, faculty and staff.
6. Receive individualized assistance with enrolling in courses for the Fall 2021 semester at CSU.
