

**3344-90-02 Use of space for non-academic purposes.**

University space not required for academic purposes, may be used in a manner, which provides for reimbursement to the university for all direct costs of the use, as well as other applicable fees as set forth in the facilities use procedures. The president, or their designee, shall approve facilities use procedures that describe how facilities are requested, reserved and approved for non-academic purposes, including by non-CSU community members.

**Policy Name:** Use of space for non-academic purposes
