OFFICE OF DISABILITY SERVICES (ODS) APPROVED ACCOMMODATIONS

Accommodation requests must be submitted to the Office of Disability Services (ODS) for review and approval. Once approved, ODS will notify the Department of Residence Life and Housing. For students to receive accommodations, ODS needs them to submit the online application, submit documentation of their disability, and come in for their intake appointment. Students are not registered with the Office of Disability Services until all these steps are complete. Please visit <https://www.csuohio.edu/disability/register> to start the process.

RENTERS INSURANCE

As noted in your Housing Contract, Cleveland State University does not assume any financial responsibility for the personal property of students. We strongly recommend students obtain renters insurance prior to move-in. Here are some scenarios in which renters insurance can help;

- You leave your laptop in the library unattended as you grab lunch, to later find that it was stolen.
- You return to the residence halls after class, to find that someone accidentally caused a fire on your floor and the smoke ruined all of your clothes, books and bedding.
- You accidentally hang your clothes on the sprinkler head. Water damage destroys your stuff and the belongings of other residents on your floor.

We have partnered with GradGuard, which offers a College Renters Insurance Plan that is specifically designed for students. For about \$14 per month, GradGuard can protect you in the scenarios listed above and more.

1. After electronically signing your Housing Contract, you will be brought to the GradGuard (Renters Insurance) section of the housing application. Click “Continue”.
2. You will be redirected to the GradGuard website where you will need to make a decision. If you are interested, you will need to enter your information and Click “Start My GradGuard Enrollment”.

3. If you determine that you’re not interested or not ready, Click the “I would like to decline all coverage” link at the bottom of the page and you will be prompted with a final “Not Interested or Not Ready” page. Make the appropriate selection for you. Finally, you will be presented with a page, confirming your selection. Click “Continue with Application” to be redirected back to the Housing Self-Service portal to continue with your housing application

At Cleveland State University, you are eligible for an exclusive renters insurance plan **designed for college students.**

Helpful Tips for Completing Questionnaire

Complete this yourself: Do not have a family member log in and complete it. Only you truly know yourself.

Reflect on each question: Although your first instinct is probably the right answer, take time to think about each question and the long-term effects of each one.

Be honest: You will likely be happier if your answers represent your preferences, not what you perceive your answers "should be". The only "right" answers are those that best reflect you and your needs.

Made a mistake?: Don't worry! You'll be able to go back in and edit your responses until July 1
