

To create a course view that you can give grades to, it must be done when you create the link. Click on Tools then VoiceThread.

The screenshot shows a course management interface with a top navigation bar containing 'Homepage', 'Build Content', 'Assessments', 'Tools', and 'Partner Content'. The 'Tools' menu is open, displaying a list of options: Discussion Board, Blogs, Journals, Wikis, Groups, Tools Area, iSpring Learning Module, Panopto Video Link, Achievements, Cengage Learning MindLinks™, McGraw-Hill Content, WileyPLUS, Pearson's MyLab & Mastering (Content), Perusall, VoiceThread (highlighted with a mouse cursor), Turning Technologies Account Registration, and More Tools. The main content area on the left contains several items: 'Start Here!', 'Get into VoiceThread' (with a 'vt' logo and a description), 'Assign Test', 'New Test', 'test discussion 1', and 'turnitin'. At the bottom, there is a '>> View/Complete' link.

After you have filled in the Name and description, go down to Grading

Track Number of Views Yes No

Select Date and Time Restrictions Display After  
Enter dates as mm/dd/yyyy. Time may be entered in any increment.

Then click Submit.

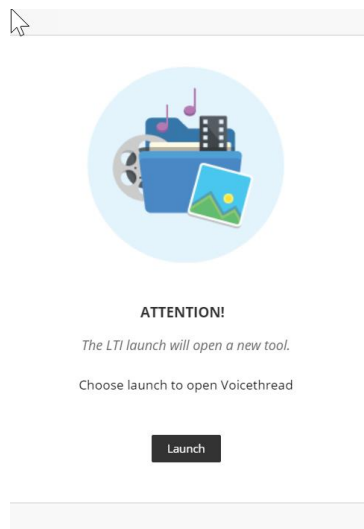

A screenshot of a form with two horizontal input lines. At the bottom right, there are two buttons: a grey 'Cancel' button and a dark grey 'Submit' button. A large black arrow with a blue outline points directly at the 'Submit' button.

Next click on the VoiceThread link you just created so that you can create the Course View VoiceThread.

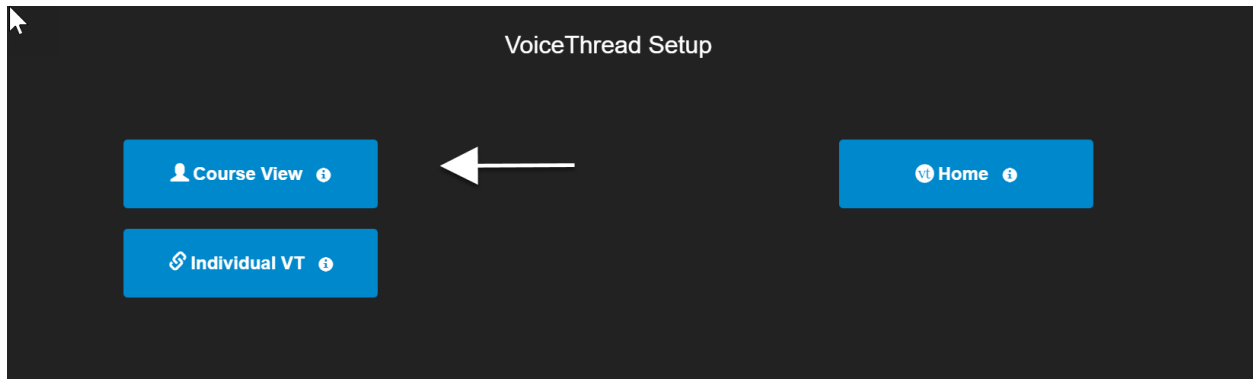

A notification banner with a purple vertical bar on the left. It features the 'vt' logo and the text 'Course View'. The main text reads: 'This link will take you to the VoiceThread Course view of the course. Where you can see all the VoiceThreads in this course.'

Launch VoiceThread.

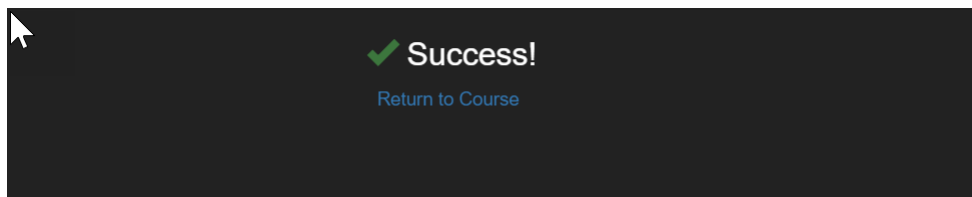

A dialog box with a light grey background. At the top left, a mouse cursor points to a horizontal bar. Below this is a circular icon containing a blue folder, a blue folder with a red ribbon, a blue folder with a green picture, and a blue folder with a red ribbon. Below the icon, the text reads: 'ATTENTION! The LTI launch will open a new tool. Choose launch to open Voicethread'. At the bottom, there is a dark grey 'Launch' button.

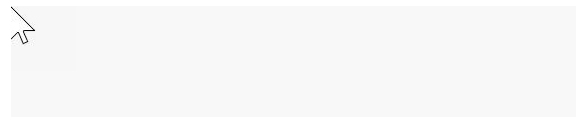

This is the VoiceThread set up page select the Course View button to create the Course View VoiceThread.

The next screen will display that the creation of the course view was successful.

When you click the Return to course below the word Success! It bring you to this page.

Success!

Once the VoiceThread Course View is created when the VoiceThread link is clicked it will take you straight to VoiceThread Course View.

 **Course View**

This link will take you to the VoiceThread Course view of the course. Where you can see all the VoiceThreads in this course.

Launch VoiceThread

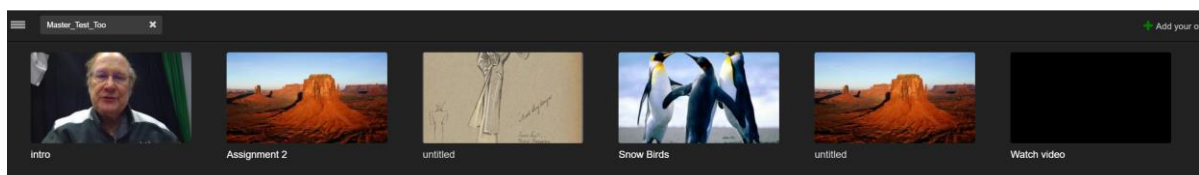

ATTENTION!

The LTI launch will open a new tool.

Choose launch to open Voicethread

[Launch](#)

This is what the student will see in Course View, which is a listing of all the videos shared in the course. When you first create the course view page if you have no other VoiceThreads in the course it will say that there are no VoiceThreads found, once the students start creating their presentations it will fill up fast.
