<http://www.csuohio.edu/iraa/pages/registration.html>

The Enrollment report represents the continuing commitment of the Office of Institutional Research, Assessment & Analysis (IRAA) to present updated information about Cleveland State University. Several changes have been made in Spring 2005 Enrollment Report. They are:

Consistent with the previous Enrollment Report, the information presented is based on the Census Date (the 15th day) files specified by the Ohio Board of Regents (OBOR) unless it is specifically noted from a different data source. The purpose of this Enrollment Report is to provide the readers with frequently requested statistical information used in planning, reporting, and assessment. In order to serve the campus community more efficiently, IRAA office welcomes your suggestions and comments. Please direct your questions and/or suggestions to (216) 687-4700 (or via the e-mail addresses provided below). The entire Enrollment Report is **ONLY** available on line via IRAA website (<http://www.csuohio.edu/iraa/pages/registration.html>).

We would like to take this opportunity to thank all members of the campus community for their contributions to this publication.
